3/9/71

Mr. Robert M. Werdig, Jr.
Assistant United States Attorney
Room 3600
United States District Court Building
Washington, D.C. 20001

Dear Mr. Werdig,

Today I received your "Opposition" in C.A. 2569-70.

Consistently, it is incomplete.

The date of service is not filled in. It is important for me to know, for I must know the last date by which I can file my response. With the delays in the mail and with the absence of postmarking on the frank, I cannot assume the date with safety.

Accordingly, I ask that you let me know the last day as soon as you can.

Should you prefer to do this by phone, I will have to be away all day Thursday for medical and other reasons.

Sincerely,

Harold Weisberg
